

# ABDUL BASIT SHAKEEL

## FRONTEND DEVELOPER

☎ +92 331 8035039 ✉ [basitshakeel2005@gmail.com](mailto:basitshakeel2005@gmail.com) [in LinkedIn](#) [@ GitHub](#)

## SUMMARY

---

Frontend Developer with proven expertise in building scalable, high-performance, and visually polished web applications using modern frameworks such as React.js and Next.js. Skilled in transforming complex UI/UX designs into pixel perfect, responsive interfaces with strong attention to detail. Experienced in optimizing application performance, enhancing user experience, and collaborating effectively within cross functional and remote teams. Committed to delivering clean, maintainable code and developing intuitive digital solutions that drive measurable business outcomes.

## EXPERIENCE

---

### Frontend Web Developer (Remote)

July 2025 – Present

*EmpireOne BPO Solutions*

*Toronto, Canada*

- Developed and delivered responsive CRM platforms and web applications from design prototypes using React.js, Next.js, and modern frontend technologies.
- Collaborated closely with UI/UX designers and backend engineers to ensure accurate, pixel-perfect implementation and seamless API integration.
- Enhanced application performance by optimizing rendering, reducing load times, and improving responsiveness across devices.
- Maintained clean, scalable, and reusable code while ensuring cross-browser compatibility and long-term maintainability.

### Frontend Developer (Remote)

March 2024 – July 2025

*SYNQUIX*

*Karachi, Pakistan*

- Built responsive and user-friendly web interfaces using HTML, CSS, JavaScript, and React.
- Translated complex UI/UX designs into modular and reusable components integrated with backend APIs.
- Improved performance and user experience through techniques such as lazy loading and code splitting.
- Worked in agile development environments using Git and GitHub for version control and collaboration.

### Web Development Intern

Dec 2024 – Feb 2025

*Grand Digital Software House*

*Hyderabad, Pakistan*

- Supported development and maintenance of client-facing websites with a focus on responsiveness and usability.
- Gained hands-on experience with real-world workflows, debugging, and frontend development best practices.

### Web Development Intern (NAV TTC)

Mar 2024 – Sep 2024

*Verge Systems*

*Hyderabad, Pakistan*

- Completed structured frontend development training under the NAV TTC program with practical project implementation.
- Strengthened core skills in responsive design, layout structuring, and modern web technologies.

## PROJECTS

---

### Portfolio Website [↗](#)

*HTML5, CSS, JavaScript, Tailwind CSS*

- Designed and developed a modern, visually engaging developer portfolio with smooth animations and responsive layouts.
- Optimized for performance, accessibility, and SEO, achieving high Lighthouse scores.

### CRM Dashboard [↗](#)

*HTML5, CSS, JavaScript, Tailwind, Chart.js*

- Built an interactive dashboard for managing and visualizing business data with real time updates.
- Developed reusable components and integrated APIs to enhance data representation and usability.

### Velofy (React Application) [↗](#)

*React.js, JavaScript, Tailwind CSS*

- Developed a modern single-page application using React to deliver a seamless user experience.
- Implemented dynamic components and optimized rendering for improved performance and responsiveness.

### E-Commerce Frontend

*HTML5, CSS, JavaScript, Bootstrap*

- Developed a scalable and responsive e-commerce interface with product listings, filtering, and cart functionality.
- Focused on seamless navigation, performance optimization, and consistent UI/UX across devices.

### Landing Pages & Business Websites

*HTML5, CSS, JavaScript, Bootstrap, Tailwind, React.js and Next.js*

- Built multiple high converting landing pages with pixel perfect layouts and responsive design.
- Improved performance, accessibility, and cross-browser compatibility for production ready deployments.

## TECHNICAL SKILLS

---

**Languages:** HTML5, CSS3, JavaScript (ES6+), TypeScript  
**Frameworks:** React.js, Next.js, jQuery  
**Styling:** Bootstrap, Tailwind CSS, Responsive Design  
**Tools:** Git, GitHub, REST APIs, Chrome DevTools  
**Strengths:** Performance Optimization, Clean Code, UI/UX Implementation

## EDUCATION

---

<b>Bachelor of Science in Software Engineering</b> <i>Iqra University</i>	<b>Oct 2025 – 2029</b> <i>Pakistan</i>
<b>Intermediate (Pre-Engineering)</b> <i>Anees Hassan College</i>	<b>Aug 2022 – Oct 2024</b> <i>Pakistan</i>
<b>Matriculation</b> <i>Promising High School</i>	<b>Feb 2020 – Aug 2022</b> <i>Pakistan</i>

## CERTIFICATIONS

---

### React JS Certification

*Udemy*

- Strengthened online knowledge of component based development, state handling, and building responsive React applications.

### Web Development

*Aptech*

- Built solid understanding of frontend fundamentals including HTML, CSS, JavaScript, and structured web development workflows.

### Website Development

*10 Pearls University*

- Established a strong foundation in frontend technologies, including HTML, CSS, and JavaScript, with hands on development experience.

## LANGUAGES

---

### English

*Professional Working Proficiency*

### Urdu

*Native Language Proficiency*
